Optional accessories have been priced as factory fit items, ordered with the trailer.

If ordered at a later date, your distributor may need to fit the items, which could result in fitting charges being incurred.

Prices are ex-works and are subject to delivery charges and the VAT rate applicable at the date of supply

Please note that by October 2012 all Ifor Williams braked trailers will come as standard with a 13 pin towing electric plug. This is in order to comply with the requirement under ECWVTA regulation changes to provide trailer reversing lights. If your vehicle has only a 7 pin towing socket then a convenient adaptor can be purchased with the trailer to convert the trailer's 13 pin socket back to 7 pin.

TRAILERS INCLUDE A SPARE WHEEL FITTED AS STANDARD

The BV64e unbraked mini box van, our smallest box van in the range. Further details are available in our Box Van brochure.
